

I hope you are having a great summer and are ready for a great school year. We have some exciting activities we will be working on this year. We will be working on being motivated about our work and working up to our potential. We will continue to be better writers and readers. We will be using a variety of technology to review and make presentations. Each day we will be working on our daily goals and making the right choices.

Mrs. Rimpau

See supply list on back.
